Jamie will be coming onboard with overseeing the finances with Ian and Dawn.

## **Teaching days (Sun, Mon, Tues)**

There is program for these days and Mark will be going through the book of Ephesians.

The location is still in discussion, Narayan would like to host but Mark and Ian would prefer Suhendra's Church where it was held last year and this is where Mark and Ian feel that the breadcrumbs lead to.

If you're not currently going to the teaching days pray about what you will be doing and what God wants you to do?

We were encouraged to be consistent, so if you commit to the teaching days for consistency for the Nepalese you should go to them all. We are going to Nepal to connect with the Nepalese people so be clear where the Lord wants you and let Mark and Ian know. All were encouraged to pray and think about where GOD wanted them to be and to prepare for that before leaving for Nepal.

We all prayed to close.
